

# Time to Speak Up!

Join thousands of other students, teachers, and parents & tell us what you think! Deadline is January 31st!

**Students:** How often do you use the Internet to help with homework?  
**Teachers and Parents:** What is your top concern about technology use?

**Students:** If you could pick any type of device, what technology would you use at school?  
**Teachers and Parents:** Should all students have access to technology in class?

**Students:** Are there benefits to you of playing online learning games?  
**Teachers and Parents:** How do you keep up-to-date on information from teachers, schools and the district?

## Takes just 20 minutes!

1. Visit [speakup.tomorrow.org](https://speakup.tomorrow.org), click the "Begin Speak Up" button.

---
2. Select one of the following options: "Students" and your grade level, "school/district employee," "parent" if you have school-aged children or "community member" if you do not have a child in school.

---
3. Search for your school by entering part of your school name, state and/or zip code.

---
4. Read the instructions and begin Speak Up!

How do YOU use technology to learn?

All responses are confidential.

Speak Up Research Project for Digital Learning is a national research project from Project Tomorrow. It is a free, annual process with more than 5 million participants since 2003. Speak Up is an easy way for students to share their opinions on technology and learning, career exploration and more. Visit <https://tomorrow.org/SpeakUp>
